Ambaya Semi Joias

The screenshot shows the homepage of Ambaya Semijoias. The header features the brand's logo with a stylized 'A' and the word 'mbaya' in lowercase. Below the logo are four navigation categories: BRINCOS, COLARES, PULSEIRAS, and PINGENTES. A search bar is positioned at the top right. The main content area includes a section titled 'Destaque' with three images of models wearing jewelry. A sidebar on the right contains icons for search, refresh, windows, and other system functions. At the bottom, there is a dark footer bar with various links and social media icons.

The screenshot shows the 'Sobre Nós' (About Us) page of the website. The page title is 'Início > Sobre Nós'. The content discusses the legend of Ambaya, an Inca city known as Eldorado, located in the Amazon rainforest. It mentions that the city was discovered by Spanish conquistadors and was rich in gold. The page ends with a call to action: 'Deixe uma mensagem' (Leave a message). The footer of the page includes sections for 'Institucional' (with links to 'Sobre Nós', 'Dúvidas Frequentes', 'Depoimentos', and 'Fale Conosco'), 'Pagamentos' (listing various payment methods like moip, pagseguro, and PayPal), 'Facebook' (a link to the brand's Facebook page), and a newsletter sign-up form. The footer also features a dark background with the brand's logo and social media links.
